Minimum Requirements for Consideration

Please view the 2020 guidelines and criteria at www.stateforesters.org/smokey-bear.

Did the nominee complete his/her work over the course of two years or longer? *

Yes

No

If the work took place over two years or longer, please provide the dates work was accomplished *

Please note: To be eligible for a Smokey Bear Award, the effort must cover at least a two-year-long period.

Describe the geographic scope of this wildfire prevention effort (within a state, multiple states, etc.): *

Please note: Gold Awards require national-level impact. Silver Awards require a regional or multi-state impact.

Describe how the wildfire prevention effort could be accomplished beyond its original geographic area or audience: *

Project Narrative

In this section, please provide a detailed and specific description of the outstanding wildfire prevention service or project managed by the nominee. In this narrative, be sure to address all eligibility requirements and awards criteria. There is an opportunity to attach files later on.

Please provide a 100- to 500-word summary of the nominee's work: *

If possible, include quantitative data such as how wildfire occurrence declined while drought indexes went up or qualitative data or outcomes such as participation in local meetings attendance at wildfire prevention activities/events increased.

Describe the service/project, tools or methods used, short-term and long-term outcomes, what objectives were met or exceeded, and, in general terms, how many people it reached: *

If possible, include quantitative data such as how wildfire occurrence declined while drought indexes went up or qualitative data or outcomes such as participation in local meetings attendance at wildfire prevention activities/events increased.

How did the nominee's work go above and beyond to prevent human-caused, unplanned wildfires? *

Provide examples of how this project was creative and innovative: *

If possible, include quantitative data or outcomes.

Describe how the project/service targets national audiences, themes, messages, and goals: *

If possible, include quantitative data or outcomes.

Describe how the project or activity engaged groups, organizations, or agencies, and whether these participants were new to this activity: *

If possible, include quantitative data or outcomes.

Describe how the project or work was funded through volunteer time, existing programmatic funds, and/or any external sources: *

If possible, include quantitative data or outcomes.

Additional Details

Describe the publicity plan that would be deployed in the event this nominee is selected for a Smokey Bear Award: *

Include a publicity plan for recognition of nominee such as newsletter articles or blog posts, press releases to local media, social media posts and more.

Would the nominee have financial support to attend a presentation ceremony outside of their state of residence?: *

Describe any local, regional, or national recognition the project or work has received to date, including awards and media coverage:

If possible, include hyperlinks to earned media and other forms of recognition.

Supporting Documentation

Nominators can attach up to five (5) attachments that make up no more than ten (10) pages total. Please note that Gold and Silver Award nominations MUST be accompanied by letters of support.

Briefly provide a summary of all attached supporting documentation, if applicable:

By submitting this nomination, you agree to allow the Cooperative Forest Fire Prevention Campaign to publicize this great work on a national level: *

I agree
